

Xstrata Coal NSW Generic Surface Induction

Xstrata Coal NSW and TESA Mining

TESA Mining is proud to facilitate the Xstrata Coal NSW (XCN) Generic Surface Induction.

The XCN Generic Surface Induction is valid for all Xstrata surface operations in NSW for a period of 3 years.

Induction locations

Inductions are held in several locations for your convenience and are as follows:

“On Site”

- Tahmoor
- Baal Bone

“Off Site”

- Singleton
- Muswellbrook
- Newcastle
- Mudgee

Induction costs

Inductions facilitated by TESA are charged at the following rates:

“On Site”: \$205 + GST (includes familiarisation components at the end of the course).

“Off Site”: \$165 + GST

How to register for an XCN Induction?

For all induction bookings simply visit the TESA Mining website at www.tesa.com.au and follow the Inductions / Xstrata Inductions link.

For peace of mind your induction booking will be confirmed immediately after submitting your registration via email.

To make this process as easy as possible for you and your company we also offer online payment via credit card. This option is presented at the time of induction confirmation (EFT and purchase orders also accepted).
