

build a career in the mining industry

Have you been considering a career in the Mining Industry but are confused about where to start? The SKILLED Group, in conjunction with TESA Mining RTO, has developed a one (1) week **Mine Training Program (MTP)** course designed to deliver an overview of the mining industry and educate you on how to communicate effectively and work safely within this unique environment.

Included in the course is time on the CAT 793D haul (dump) truck simulator along with tips and techniques to make your resume stand out. Also, successful participants will receive a statement of attainment from the nationally recognised qualifications **RIIRIS201A Conduct local risk control**, and **RIICOM201A Communicate in the workplace**.

Places are limited so to successfully launch your career in the mining industry, book a place today.

Register at www.tesa.com.au or call **1300 13 TESA** for more information.
